WHAT IS THE GLOBAL SOLVERS CO-LAB?

Launched in 2018, the Global Solvers Co-Lab convenes emerging leaders from across sectors and geographies to connect, collaborate, and co-create meaningful solutions to advance the Sustainable Development Goals (SDGs).

- *Work with change-makers from diverse backgrounds*
- *Converge contemporary practices with research*
- *Share know-how and skills with global practitioners*
- *Engage in a transformational SDG Bootcamp*
- *...and more*

Join 20 young SDG practitioners with special affiliations to

- ***Climate Action***
- ***Gender Equality***
- ***Good Health and Well-being***

in connecting hearts, hands and minds to advance sustainable development!

Collaborating for the SDGs

TOGETHER WE CAN!

Partner with us at the Co-Lab 2020 to unpack global issues and work together on approaches to tackle them.

As a partner, you can

- *Showcase your Organization*
- *Bring your know-how and expertise to the Co-Lab*
- *Invite passionate Global Solvers into your network*
- *Become a Sponsor and help deserving applicants participate in the event*
- *Help spread the word and join the cause*
- *... and more!*

Join us to push the needle towards Sustainable Development together!
